## Dr Devinder Bansi – Delivery of Speaker

■ Good ■ Very Good

## Dr Devinder Bansi – Quality/ Relevance of Content

■ Good ■ Very Good

### Comments

- Excellent speaker and Chair
- Lovely presentation. Great sense of humour!  
Easy to follow slides. Would have liked more information about typical patient complaints e.g. bloating
- Very clear and relevant to practice
- Simplified complex problems
- Excellent, plenty of learning points given
- Lots of new learning
- Very engaging speaker. Humour spot on!
- Very clear and helpful info. Didn't know much about bile acid malabsorption before
